

Mac's Monthly Advice!

How can you tell Spring has sprung? When you see all the dust bunnies hitting the road for another year! Mac here with a few spring cleaning tips for your pocketbook!

Budgets can really clean up your financial act!
Make one and stick to it and reap the results of staying financially organized this year!

Bring a bag lunch to work!
Buy one less fancy coffee a week, or visit the Red Box or Netflix instead of going to the movies theater- little adjustments can add up to big savings.

Sweep those old subscriptions out the door!
Cancel all those free trials you signed up for and forgot about. \$9.99 a month here and \$12.99 a month there can really add up fast!
