

Mac's Monthly Advice!

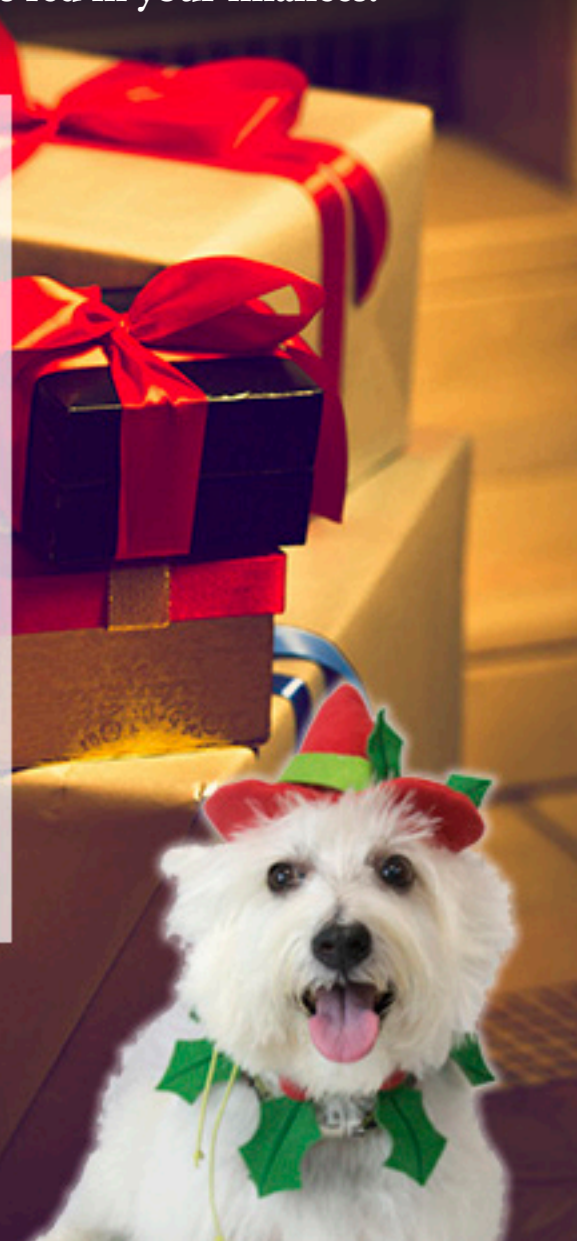

Happy Holidays everyone! Mac here with some tax tips to help you put a little more green in your holiday fun and a little less red in your finances!

Donate! You don't have to give til' it hurts, but you can give back to help take away some of your tax pains! Keep your receipts for charitable donations and remember to itemize these deductions so that you can receive tax benefits when you file.

Retirement! December 31st is the end of the year, but NOT the end of your opportunities to contribute pre-tax dollars to an eligible retirement account!

Sign-up! Get yourself (and your family) signed up for next year's health care plans so you can avoid penalties for not having health care! That being said....

Spend! The money you have sitting in your 2016 flexible spending account won't carry over into 2017, so spend it while you can!
