

Mac's Monthly Advice!

Hey everyone!

Mac here again with some timely advice regarding your tax returns. Many people have problems getting their tax returns properly prepared each year. Did you know that the IRS has programs that can help you get your income taxes prepared FREE of charge? Volunteer Income Tax Assistance and Tax Counseling for the Elderly are two programs offered by the IRS each year to the thousands of people who qualify.

Check out www.irs.gov/uac/free-tax-preparation-ten-tips-from-the-irs to learn more about these great programs and see if you qualify for FREE income tax preparation this year!
