

Mac's Monthly Advice!

Mac is back with some ideas on borrowing against your retirement plan!

Assess Your Situation!

Take stock of what is going on and see if you have other options. A weekend job might be the answer!

Try Getting a Small Loan!

Look at your options and see if your bank or credit union can offer you a small personal loan or even a home equity loan for a bigger project.

Know the Penalties!

Often, penalties for early withdrawal against your retirement fund can be strict and steep. Make sure you know what the true cost will be!
